FAR (48 CFR) 53.243

1. The purpose of this modification is to incorporate Support of Columbia STS-107 Accident Investigation into this Delivery Order.
2. The following items shall be incorporated as item 30 into Part IV - Center Specific Requirements, of this Delivery Order.

ITEM 30. SUPPORT OF COLUMBIA STS-107 ACCIDENT INVESTIGATION

- a. The contractor shall support those KSC teams, both NASA and contractor, formed to investigate the STS-107 Columbia accident. ODIN support shall include only the additional labor required to install currently defined desktop and telephone seats for the investigation teams both on-site and off-site.
 - b. This support encompasses the additional labor required outside normal business hours as outlined in the master contract. The cost of the desktop and telephone seats is included in the monthly ordering levels and is not included in cost of this task.
 - c. The contractor shall segregate the costs utilized in this support of the STS-107 investigation teams from the normal day-to-day KSC operations.
 - d. The contractor shall invoice for this support as a separate item on the monthly invoice.
3. In consideration of the modification agreed to herein as complete equitable adjustment for the changes set forth, the Contractor hereby releases the Government from any and all liability under this delivery order for further equitable adjustment attributable to such fact or circumstances giving rise to these changes.
4. All other terms and conditions remain unchanged.
